## Scheduled Tours

### The Wilderness Way

*"Wild Country, Wild Horses, Wild Rivers, Wildlife and the Wild Past"*

9am - 5pm every Saturday in January and March 2008. Other days by arrangement.

Jindabyne - Khancoban return including Murray One Power Station

- A full day escorted by a professional and knowledgeable local guide.
- Spectacular rugged mountain scenery is a real feature of this side of the main range.
- Traveling from Jindabyne up the glorious Thredbo Valley & then descending from Thredbo Alpine Village into mixed eucalypt & rainforest gullies where crystal clear wild rivers carve their way through the mountains gives you a true wilderness experience.
- Opportunities to view native wildlife.
- Visit a unique old mountain stockman's hut, & in the words of A.B (Banjo) Patterson you experience where "the wild bush horses roam".
- A genuine country pub lunch at Khancoban is included before entering the modern era of a Snowy Hydro power station. Then you are guided back over the range to your accommodation.
- From \$99 per person includes morning tea and lunch.

### Blasts from the Past

*"The highest homestead, gold fever and a spectacle that took 440 million years to create with the odd murder in between"*

9am - 5pm every Tuesday in January and March 2008. Other days by arrangement.

Jindabyne, New Adaminaby, Yarrangobilly Caves return including historic homesteads and the goldfields.

- A full day escorted by a professional and knowledgeable local guide.
- Travelling from Jindabyne through some of the best cattle & sheep raising country in Australia, you visit the big trout in "New" Adaminaby before coming face to face with living legends of a historic homestead complex that could tell a thousand stories.
- Experience the historic Kiandra & Goldfields before descending into a once hidden valley that now lets you see the indescribable wonders of a limestone spectacular before returning to Jindabyne.
- From \$99 per person includes morning tea and picnic lunch.
